Dear Islanders,

Welcome to the July issue, we are half way through with 2020, and we are optimistic that better days are ahead of us.

Over the past few weeks, we have seen a shift as the world slowly resumes to normal life (or the 'new normal!'). As the islands starts to do the same, we urge all our residents and visitors to take all extra measures and precautions that have been in place for the past few months. As well as previous regulations, the new Ministry of Interior directives include continuation of social distancing in all common areas including public beaches after 6pm.

Inside this issue, you will find a close-up of J Hairdresser Ladies and Gents Salon, post COVID and all the precautions and measures that have been undertaken to ensure customer safety. Read the whole article on page 4 for all the details.

Solyamar has also reopened its doors while undertaking all the necessary precautions to maintain social distancing, read on

page 2 for all the details.

As per the rules and regulations in place by the National Medical Taskforce to Combat COVID-19, we urge all residents and visitors of Amwaj Islands to continue limiting overcrowding in any given area and ensure social distancing guidelines are followed.

Residents are encouraged to stay home as much as possible and only leave home when absolutely necessary.

If you do experience symptoms of COVID-19, please call 444 or visit www.moh.gov.bh

For any security concerns, please feel free to contact Amwaj Security directly, all important contacts can be found on page 5 in the newsletter.

Stay safe and well islanders.

Sincerely,

The Amwaj Team

BEACH

Solymar has officially reopened its doors and is now welcoming guests in their Mediterranean inspired venue.

Sun loungers can now enjoy their day at the beach on Solymar's golden sands against the backdrop of the blue waves, while staying safe from COVID-19.

Upon arrival at the beach, all guests must have their temperature checked at the door prior to entry. Hand sanitizer dispensers have been installed around the venue and guests are encouraged to use them regularly throughout their day at the beach. In order to maintain social distancing on the beach, sunbeds have been placed at a distance of a minimum of 2.5 metres apart, this way guests can enjoy their time without worrying about being too close to other guests.

Although beach goers can still enjoy a cool drink off the Solymar menu, it is completely self- service and drinks

are served in disposable cups. Also, all surfaces are continuously sanitized and disinfected

To add to your beach experience, Solymar are now holding 'Cinema on the Sands' night, every Sunday at 8pm, so make sure to check out their Instagram to know the movie of the week.

Solymar encourages its guests to call ahead of arriving at the beach, as due to social distancing the venue can reach full capacity early on.

The beach is open daily from 10-12am, for more information call 35094777, check out their Instagram @solymarbahrain or visit www.solymarbahrain.com

The salon, which serves both ladies and gents separately, is offering their usual high-end standard of services while undertaking all the precautionary measures and protocols under the guidelines of the Ministry of Health, starting from booking the appointment until the customer leaves the premises.

When a customer calls for an appointment, they will be asked a series of health questions to confirm the customer has not shown any symptoms of sickness, or been in direct contact with

anyone diagnosed with covid-19 within 14 days or living with someone who is self-isolating within 14 days. Upon arrival at the salon, the rules of social distancing are still maintained to avoid close contact. It is also for this reason that no-walk in customers are allowed at either of the salons
