Stroke of Art

Josian Jreig is the artist behind Stroke of Art, some of her beautiful work can be seen displayed at The ART Hotel & Resort here in Amwaj Islands. With over 15 years' experience in graphic design and fine art, Josian has been a budding artist since the young age of 12.

"My artworks always capture the sensations of people in different events or happenings. I focus on expressing the emotions they are feeling rather than depict photorealistic figures," said the painter.

Her inspiration comes from contemporary figurative art.

In addition to purchasing ready artwork by Josian, you can also commission customized artwork depending on what the customer is looking for. "I can recreate the same pieces in a

different size or color, I can change a part of the painting based on what you require or come up with a completely different one," said Josian.

To see more of the artist's work, you can visit her Instagram account @strokeofartlounge or you can contact her on Whatsapp on +97334097907 to purchase and/or order your own customized painting.
