Letter from the Editor

Dear Islanders,

Summer has officially come to an end, and hopefully with its ending, the heat will begin to reside as the months go by. Even though we are in Autumn, the weather is not showing us any mercy, therefore please make sure you continue to take the necessary precautions – drink plenty of fluids, wear SPF, and try to stay indoors in an air-conditioned space as much as possible.

We hope you have all settled back in and are ready to commence normal routine, with the kids back to school and nearly all establishments back to 'normal' operations.

Events around the Islands are also back in full swing, with nearly every weekend seeing something

exciting taking place. Therefore, please make sure you follow our social media channels to stay up-to-date: @amwaj_islands for all events, project updates, offers and promotions taking place throughout the Islands, and @amwajassociation for all important Association updates and progress/changes occurring.

if you would like to be featured in The Amwaj Islander, or on our social media channels, please send an email to newsletter@amwaj.bh

Sincerely,

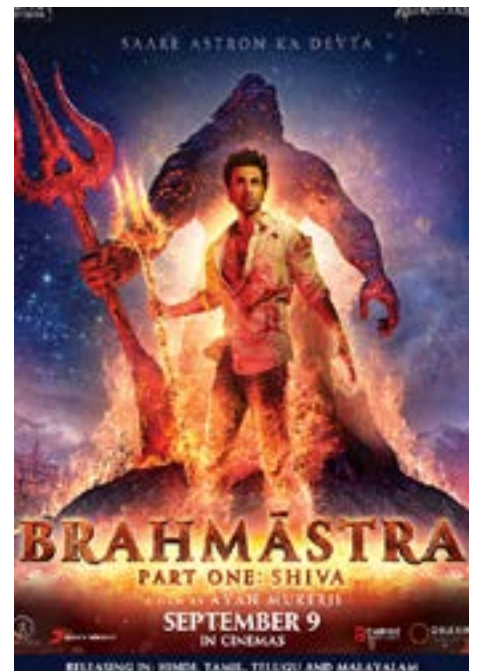

The Amwaj Team

Smile: After witnessing a bizarre, traumatic incident involving a patient, Dr. Rose Cotter (Sosie Bacon) starts experiencing frightening occurrences that she can't explain. As an overwhelming terror begins taking over her life, Rose must confront her troubling past in order to survive and escape her horrifying new reality.

El Da3wah 3ammah: Moataz, is a happy-go-lucky guy who leads a life around his friends. After his mother moves in, they argue, and his luck is put to the test. She puts a curse on him that sends misfortune his way, turning his life upside down. Will he be able to break the curse?

Brahmastra: Our story is set in modern-day India, against the premise of a secret society called the Brahmānsh; who generation after generation have protected many divine 'Astras' (weapons) that were created in ancient India, and safe-guarded from the eyes of the world. BRAHMĀSTRA: PART ONE, is the story of SHIVA – a young man and our protagonist, who is on the brink of an epic love, with a girl named Isha. But their world is turned upside down, because Shiva learns that he has a mysterious connection to the Brahmāstra...and a great power within him that he doesn't understand just yet - the power of Fire. In Brahmāstra, we experience Shiva's adventures as he journeys into the world of Astras and in turn, discovers his destiny as the DIVINE HERO of the universe.

60 Seconds With...

Amr Abdullatif Co-Owner, Plate 48

Is Plate 48 a local concept? Yes it is a Bahraini concept and brand.

Can you tell us a little about the story behind the name Plate 48? We, the Plate 48 owners, have a great love for all things food and motorcycles, so we thought what better way to express our love than to combine them? Hence, Plate 48 came about - plate, because of its relation to food, and 48 because one of the most beautiful Harley Davidson motorcycles ever made is the Sportster Forty-Eight.

Okay that explains the name, but how did the idea come about? Plate 48 is the result of pure passion. We come from a medical background. However, due to our extensive travels, and exposures to different cultures and global kitchens, we, as mentioned earlier, obtained a great passion for the culinary and the automotive fields. It was only logical that our next step would be to share our passion with our community by opening Plate 48.

Is Amwaj Islands the only branch? Where is it located in Amwaj? We currently have two branches in Bahrain - one in Amwaj Islands inside Grafeatti in The Lagoon, and one in Juffair in the American Alley.

When did you open your doors? And how was the response been so far? Plate 48 officially started in November 2019. We believe that our customers are crazy about our concept.

Why was Amwaj Islands your location of choice? We chose Amwaj islands as we wanted to become closer to the fabulous Amwaj community.

What type of cuisine does Plate 48 offer? Plate 48 is an American/South American fusion cuisine restaurant.

What is the most popular dish? Our most popular dishes are the 'cheesy chicken platter' which is buttermilk fried chicken with gravy, chicken wings with ranch sauce, siracha glazed chicken tenders, onion rings, potato wedges, curly fries, mini brioche buns and tortilla bread served with cheese on a skillet; the 'braised beef brisket' and our 'short ribs' where the beef has been slow cooking for 6 hours and melts in your mouth.

Do you have any special offers for Amwaj Islands residents? Currently we have a free delivery offer inside Amwaj Islands. Residents can avail this offer by contacting us by phone, or through WhatsApp.

How can residents order Plate 48 as in-home dining? We are available on several apps, including Talabat, You App, and Jahez. You can also place an order our website www.plate-48.com or by calling the restaurant directly or by WhatsApp.

Plate 48 are open 7 days a week from 3:00 pm - 12:00am Sat - Wed, & 4:00 pm - 1:00 am Thursday and Friday.

For more information, please contact Plate 48 on +973 17830565, or by WhatsApp on +973 35454848. Follow them on instagram to keep up-to-date with their newest dishes and latest offers (@plate.48)
